- January Costs - Extra clothes for the nurse's office. Assembly cost is around \$400.

Past Events:

- No January event - Although we found someone to lead the workout. We didn't have time to set anything up.
- Mid Year Survey - Families stated they would like more communication from the PTO, Carnival, Game Night, Craft Nights are the most requested events. Panda and Chipotle had low ratings.

Current/Upcoming Events:

Assemblies - Raptors, Wings, and Talons - Feb. 16

- Two assemblies 11am and noon
- We are looking at hosting one more this school year.

February Family Night - Game Night. What are some potential dates?

February Restaurant Night - Culvers Feb. 8th - We would love for teachers to volunteer their time to serve the students. Will have a class competition for a free custard for every student.

Yearbook - Need to order the flyers. Yearbook orders due on 3/17.

Clothes Drive - Last year, Ms. Reyes hosted one, so there are a decent amount of coats that can be donated to students. Can we use the lost and found clothes and use them for donating to students that need clothes at recess? We will do one last call for the Lost and Found. We still need clothes/panties for the nurse to use for students (size 10).

Wolves Game - potential date? Sunday, March 10th, 3pm game time.

\$16 for balcony behind the goal area (\$22)

Included are the following:

- Wolves hat for everyone who attends

- if you have 30+ attend, we will get you a Chicago Wolves jersey to either keep for yourself or auction, raffle off, etc.

- option to add a hot dog and soda voucher for \$6.50**

- we will display your group's name on our LED Matrix board throughout the game

- zamboni rides or high five tunnel (pending availability)

- choir, band, dance performances (pending availability)

Do we want to do this? We need to email back.

Sell for \$20 a ticket and \$25 for ticket/hot dog combo?

March Restaurant Night - We are looking at Main Event or if anyone has another idea, such as a Timber Trail family that owns a local restaurant that we can help support.

April - Crumble Cookie? Pre Purchase boxes - Can sell at Musical? Also pre selling flowers.

Graduation Ceremony - Kindergarten/6th grade - This is a school decision and not PTO related. If they decide to do something, they will check to see how PTO can support.

Spring Book Fair - Scholastic Book Fair: May 6th - May 10th. We will need help with this. All help is appreciated.
