COVID-19 District Updates/Info

U46 Covid-19 Communication Page: For general information, [click here](#).

Meal Distribution: [click here](#) for an updated list of dates, times, and locations.

Free Wifi: For information on how to access free WiFi, [click here](#).

Calendar: For the A/B District Calendar, [click here](#).

Emergency Contacts

If you or someone you know is in immediate danger, call **911**.

If you or someone you know is having **thoughts of self harm**, please call the National Suicide Prevention Hotline (800) 273- 8255 or text message 741741.

For a complete list of **emergency local supports**, please [click here](#).

Community Resources

Local Resources: If you are looking for local resources, such as food pantries, legal services, health services, etc. please [click here](#).

Social Emotional Support Strategies

Challenge yourself daily by sticking to a [Mindfulness Calendar](#).

Below are guided **worksheets/activities** addressing **social emotional** topics that can be done on your own: [Anxiety Coping Skills](#), [Healthy vs Unhealthy Coping Skills](#), [Triggers](#), [Mental Health Maintenance Plan](#), [Grounding Techniques](#), [Gratitude Journal](#), [Anger Coping Skills](#), [Stress Management](#), [Challenging Anxious Thoughts](#), [Time Management](#), [Negative Thoughts](#)

Health + Safety

Some students might be curious about what **social distancing** is and why we are doing it. For a great article (with video simulations) please [click here](#).

For another brief video demonstrating social distancing, [click here](#).

Wondering how **hand washing** can help? [Click here](#) to watch a 1 minute science experiment video!

For more information about COVID-19, you can visit the CDC website by [clicking here](#).

Distance Learning Technology

To get more information about **Technology**, please click the links below:

[General Device Support](#)
[Canvas for Parents and Students](#)
[Parent Webinars](#)

Please remember, we are all adapting to this new way of learning. Patience and flexibility is key!

Healthy Habits

It can be hard to manage your time when your **learning environment** has recently changed. [Click here](#) for **time management** tips and make sure that you are maintaining good [self care habits](#).

Did you know that sleep deprivation can cause poor concentration and productivity? Be sure to **prioritize sleep** using these [tips for better sleep!](#)

Remember, even though this can feel a little uncertain, it's still important to maintain a [Growth Mindset!](#)

Testing Updates

Please note that at the current moment, Middle School students will not be taking the Fall MAP test or the PSAT 8/9. Updates to statewide and district tests will be communicated as more information is made available.

Staying Active

If you're used to being active, playing sports and having practices, there are still ways you can get moving at home! [Click here](#) to access free **yoga classes**. On a time crunch? [Click here](#) for 15 minutes of **yoga**.

Looking for something more intense? Check out these 30 minute [high intensity interval](#) classes, or [these](#) online fitness classes!

Check out [more creative ideas](#) on how to stay **active!**

Ideas for Parents + Families

Many parents and families are experiencing a drastic change in their **daily routine**. To help with structure, remind yourself of our A and B days in our [Middle School Calendar](#). For additional **supports** that parents and families can use, check out the links below:

[How Parents Can Support eLearning](#)
[Tips for Parents on Navigating eLearning](#)
[Supporting Kids During COVID-19](#)
[Teaching Life Skills to Teens](#)

Looking Ahead: College + Career

While you practice social distancing as middle school students, you can still explore your options for the **future!**

Not sure where to start? Head over to [Naviance](#), where you can take various **career planning** and **interest inventories**.

If you have questions about college, check out **College Board's interactive step-by-step guide**.

For more **resources**, check out these [virtual college tours](#) and upcoming [virtual college admissions events](#).

Academic Resources

Although the classroom setting has temporarily changed, there are still plenty of options for students who need **academic support!**

For links to websites that can help with math, online tutoring, etc. please [click here](#).

Staying Sane Long Term

Below, we've provided ideas on how to stay "sane" during our time at home.

For **calming activities**, check out this [2020 Daily Calm Calendar](#) or free [guided meditation](#) for children and adults. For a helpful resource on **self-care**, please [click here](#).

If you'd like to set up a **calming classroom environment** at home, [click here](#) to access the eBook and **listen** to this [playlist](#).

Brain Break!

In need of a **brain break**? Check out the links below!
