- b. Once you have that key, activate your account by going to Streamwood High School's website and clicking on this icon: 
- c. Click on the link that says "If you have been assigned a Campus Portal Activation Key, [click here](#)" and sign in with your activation key.

2. *You will now be taken to a page to set up your account*

- a. You will be asked to create a username and password for future access into the parent portal
- b. You can choose to change your password at any time.
- c. Do not share your user name and password with your children.

3. Sign into the Infinite Campus Parent Portal with your username and password
