SHS APPLICATION FOR EARLY DISMISSAL OR LATE ARRIVAL

Student Name _____

ID # _____

In order to be eligible for Early Dismissal or Late Arrival, all of the following criteria **MUST BE** met. (If you cannot check all the boxes, you do not qualify for early dismissal or late arrival.)

_____ I am a junior or senior student on track for graduation.

_____ I am **NOT** re-taking a course required for graduation (biology; freshman, sophomore, or junior English; algebra; geometry; algebra 3-4; PE; health; etc.).

_____ I am **NOT** enrolled in an APEX class for credit recovery.

Periods: _____

Early Dismissal and/or Late Arrival is a privilege not a right. If the student acquires steps on the behavior log or receives Loss of Privileges from the tardy system, this privilege may be revoked and the student will be assigned to a study hall. If the student is not present for their study hall they will be marked TRUANT. If five or more truancies accumulate, the student could receive a truancy ticket from the Village of Streamwood.

Students granted early dismissal must leave the campus five minutes after their last scheduled class or this privilege will be revoked. If the student is involved in extra-curricular activities he/she cannot return to campus until 2:55 PM (or the conclusion of the school day if there is an altered bell schedule).

STUDENT AGREEMENT: I understand that I must meet the requirements checked above in this application to be afforded the privilege of early dismissal or late arrival. If I am unable to meet any one of the minimum requirements while given this privilege or acquire steps in the behavior system or the Loss of Privilege system, *this privilege may be revoked.*

PARENT AGREEMENT: By signing this form, I am giving permission for my student to have the privilege of early dismissal or late arrival. I understand that transportation is not provided, and my student cannot remain on campus. I understand that should this privilege be revoked, my student will need to re-arrange work or family commitments to accommodate a full day of school.
