Student requirements Select any of the following that apply to this application. You can always add or remove from the student checklist later if you change your mind.

Financial aid

☐ I will be submitting a school-specific Financial Aid Application to this institution.

☐ I will be completing the FAFSA form and will need to designate this institution to receive my information in the FAFSA portal.

Scores and performance

☒ I will be submitting test scores along with my application to this institution. Required

☐ I will be submitting a Self-Reported Academic Record (SRAR) along with my application to this institution. Optional

Save Application

Unless you know that this pertains to your application, most people won't use this option.

In most cases a student would be using a FAFSA application for this.

For an academic self report, you will need an unofficial transcript.

SAT / ACT scores are sent from those organizations, but U-46 can list your school SAT score on your transcript. For non-school SAT scores or ACT scores, you will need to long onto your SAT/ACT account to have those scores sent.

When you are finished - Click "Save Application"

Test Scores

The University of Alabama will not require standardized ACT or SAT scores from students applying through the Fall 2023 Semester. The presence of a score will not create an unfair advantage or disadvantage to students applying for admission. If you are unsure whether or not to submit a standardized test score, contact your high school counselor or UA recruiter.

FAFSA Submission

Complete your FAFSA and set up this school to receive your application on the School Selection Page.

Self-Reported Academic Record (SRAR)

Applicants create the SRAR using their official high school transcript, listing courses and associated grades that have been completed or will be completed for high school and/or college credit.
