

**Bartlett Parent Advisory Council (BPAC)
or Bartlett Parent Network (BPN)**

BPAC is a round table where we hear all of the goings on at BHS, and it is also your chance to ask questions of administration. The Principal and some members of the Admin team are in attendance. We discuss updates and upcoming pertinent information, answer questions/concerns.

If you are interested in helping out with BPAC as an organization (planning upcoming meetings, etc.,) please contact bhsparentadvisory@gmail.com; we could always use the help from parents who would like to get involved.

***NOTE* BPAC is NOT a PTO organization, we do not do fund raising or ask for volunteers or money, it is simply a chance for families to interact with BHS administration and give feedback and get questions answered.**

We look forward to seeing you at our next meeting!
