Dedication Ceremony.*

*Thank you for joining us today for  
this special event.*

## Message from the Principal

ON BEHALF of the students, staff and parents of Fox Meadow School, we welcome you to our new building. We are obviously proud of our beautiful new building, and extremely excited about serving our children in our community now and for years to come.

We wish to dedicate this building to the nurturing of children, both academically and socially. Our greatest challenge is to combine our efforts to establish and maintain a spirit of dedication, cooperation, compassion and friendliness.

We need to thank many people who contributed to the opening and development of our new school:

To the members of the District U-46 Board of Education and their advisors, the Citizens' Advisory Council, for their vision in seeing the need for our school and their leadership in initiating this project.

To the talented architects, trades people, contractors, District construction, District U-46 Plant Operations staff and Warehouse Department who worked with so much dedication to open this building on time.

To the parents of Fox Meadow School, who have shown their willingness to make this school their school by volunteering their services in many different areas.

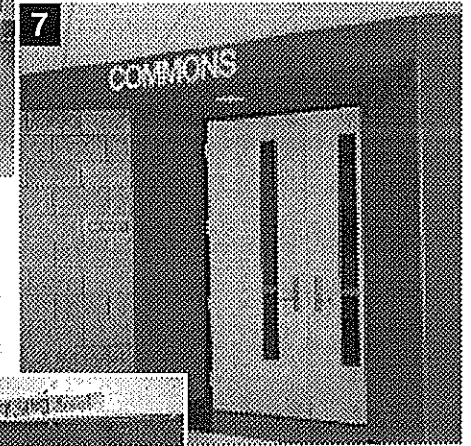

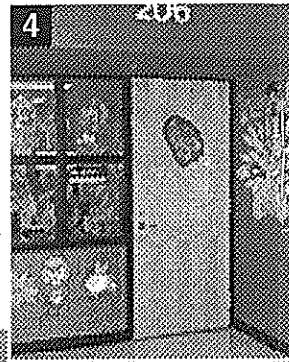

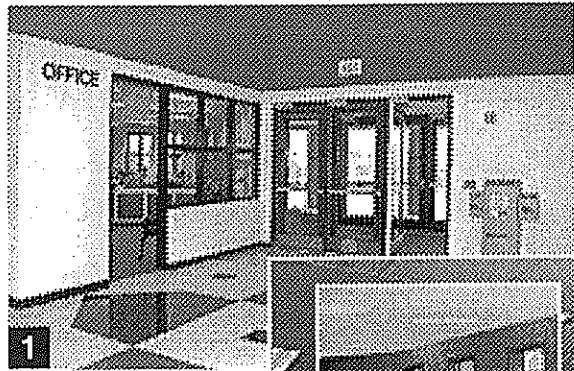

To our staff, each of whom has ventured into a major career change. Their enthusiasm has been contagious and will continue in the future.

To the children of our community for which this building was created who make it all worthwhile.

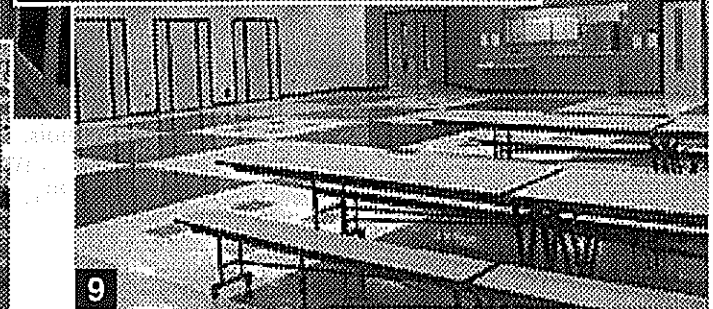

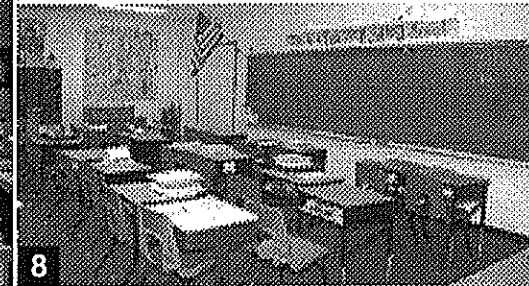

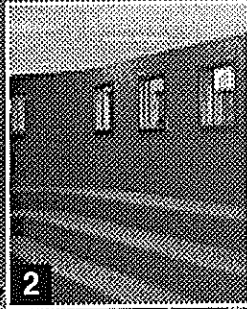

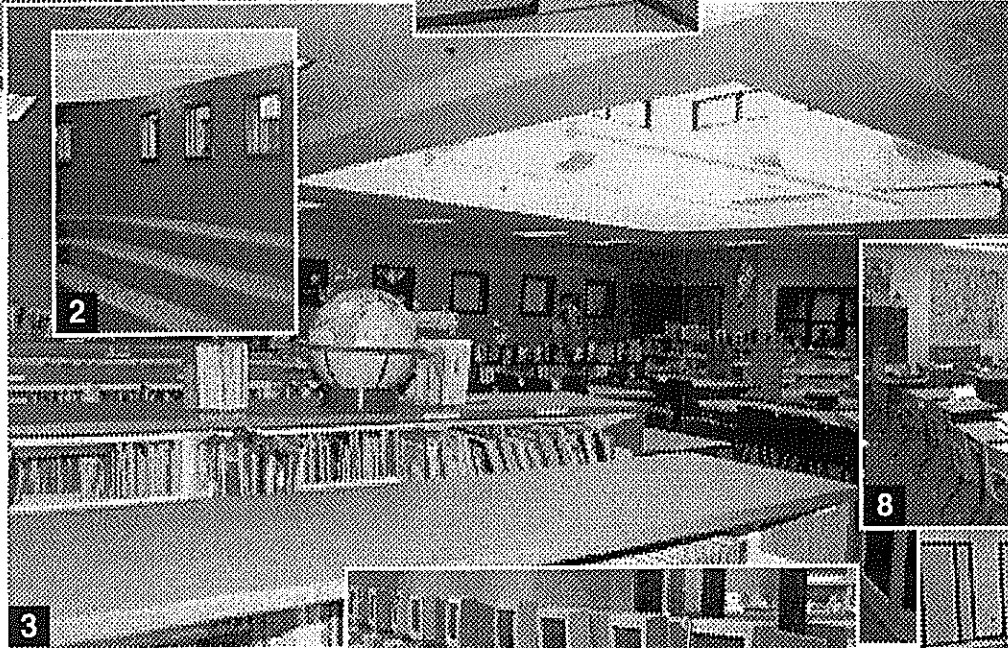

Finally, may anyone who enters this building stay **forever young**.

William R. White  
Principal

# A Tour of Your New School

- 1 School Office
- 2 Learning Resource Center: Reading and AV Area
- 3 Learning Resource Center
- 4 Classroom Entry
- 5 Computer Center
- 6 First Floor Hallway
- 7 Commons Entry
- 8 Classroom
- 9 Commons Area

## Fox Meadow School's Key Features

**F**OX MEADOW ELEMENTARY SCHOOL is built on eight acres of land. The school is designed to hold approximately 650 students in grades kindergarten through sixth grade.

Among Fox Meadow's many design features are:

- An art classroom
- A music classroom
- A beautiful learning resource center
- A multi-purpose room
- A kitchen adjacent to the commons
- A full-sized gymnasium
- A secure outdoor kindergarten play area
- Sufficient office space for itinerant specialists to serve children

The building's exterior green trim and light bricks are aesthetically pleasing, blending in with the surrounding residential community. The vibrant interior colors at Fox Meadow are designed with the elementary age student in mind.

## Architect & Contractor

**F**OX MEADOW SCHOOL was designed by the architectural firm of Burnidge, Cassell & Associates, Inc., Elgin, Illinois. The general contractor was Ockerlund Construction, Morton Grove, Illinois.

Robert Kellen is School District U-46's Coordinator of Construction.
