

Hello Eastview 8th Graders & Parents,

Your freshman year will be here before you know it! In order to best prepare both you and your families, we are providing you with important information prior to high school orientation and registration.

Bartlett and South Elgin High School are coming to Eastview next month. Both schools will come for **orientation** (an overview on class options and what to expect as 9th graders) on **Wednesday, December 8th**. Following that, the counselors from both schools will be registering your student in person, on **Wednesday, January 5th** (after Winter Break.) This is when you will select which classes you'd like to take next year! The schedule for 12/8 and 1/5 will be sent out to students later this month. If you do not know what high school you are attending, please [click here](#) and put in your address.

Linked below is the U46 Curriculum Guide for the 2022-23 School Year. This booklet gives you information on the various courses you can take. To access the Curriculum Guide online, please [click here](#). To view the 9th Grade Course Selection Sheet (which is what your student will fill out with their counselor on 12/9), please [click here](#). *The link is set up so that it will prompt you to make a copy for you when you click it!*

***Please Note:** The selection below is for a standard schedule and does not apply to those accepted into Academies. Students will be receiving Academy acceptance letters via email on **November 12th** and the deadline to accept or decline their invitation is **November 18th**. For more information, please visit the U46 Academies website by [clicking here](#).
