NHS Activity Sheet

Use this sheet to record your community service hours. If there are certain activities you do on a daily basis (like tutoring in the Sabre Center), log your time on this sheet on a weekly or monthly basis. You must have a minimum of 30 hours of community service to maintain your membership in the Streamwood National Honor Society. Activities you participate in that are considered mandatory attendance (W.A.C.O. Christmas Shopping, Habitat for Humanity Walk, and Run for Rett) should be entered but do not have to have an additional signature.
