College Recommendations

- 3 years Social Studies. 2 Years required (US History and Civics and Economics) but need year 3 for most colleges
- 3 years Science. 2 Years required but need year 3 for most colleges
- Many Schools require two years of a Foreign Language, including U of I and UIC.
- Some schools will accept two years of Music or two years of Art in lieu of Foreign Language. A few also will consider vocational in lieu of Foreign Language
- For colleges, there is a difference between minimum requirements and being competitive for admissions!
