Are you a parent of a student in the district's dual language and/or ESL program? Then you will want to attend these exciting sessions!

The Bilingual Parent Advisory Committee (BPAC) is for all families participating in our Dual Language and ESL Program. These meetings will now be offered in both English and Spanish to include more families. We will come together four times a year to dive into important topics related to our programs, district, and our community.

New: Last year we held separate Dual Language Parent Support group sessions which are now being merged with BPAC!

Families who participate in all four sessions will have the chance to enter a raffle for an iPad awarded at the last meeting.
