

Bring On Demand **College & Career Sessions** to Your School

59964/ES/20220718

To help students prepare for their futures, Elgin Community College wants to bring college and career readiness sessions directly to schools and classrooms. ECC will work with you to determine a time and location that works best for you and your students.

Topics include:

- Exploring career opportunities.
- College preparation.
- Financial literacy.
- Life skills.
- Pathways after high school.
- Transitioning to high school.
