Behavior/Discipline Policy

S.A.F.E. will provide a comfortable, secure environment for all children involved. **Appropriate behavior and respect for staff and peers will be expected.** Behavior, that disrupts program operation or endangers others or self, will be reported to parents and the S.A.F.E. Coordinator by the building staff. A plan for improving the behavior will be developed jointly by staff, child, and parents. A progressive discipline approach will be used. If behavior problems persist, the S.A.F.E. Coordinator will contact parents and the child may be dismissed from the program. The child will get a warning, a 1-day suspension, a 3-day suspension and/or a 1 week suspension before being dismissed from the program. In certain cases a child could be dismissed from the program without taking the above steps. This would occur only in an extreme circumstance. Example: A child endangering others. **S.A.F.E. may not be the appropriate placement for children with special needs who require more individualized care.**

Zero-Tolerance Policy for Children & Staff:

The zero-tolerance approach to weapons and any violent actions that is in effect in all U-46 schools is also policy in the S.A.F.E. Program. Any S.A.F.E. student or staff member who brings a weapon of any kind to S.A.F.E. will be subject to arrest and expulsion/termination from the program. Jokes and flippant remarks about violence are not allowed. Such remarks or threats of violence, even if offered in a joking manner, are taken seriously and can lead to the student's expulsion or staff's termination from S.A.F.E. and possible arrest.

Zero Tolerance Policy For Abuse:

To foster a productive and safe environment we practice hands off policy. We will not touch, hug, caress, or be alone with a child at anytime. Yelling and screaming, at children isn't acceptable at anytime. Through a moderate tone of voice and eye contact the children will know they are in a loving, safe environment, while still enforcing the zero tolerance for abuse.

Bullying Policy:

The Board of Education adopted a policy regarding bullying that states:

Bullying of any kind is a violation of state law. Bullying may include aggressive or negative gestures, or written, verbal or physical acts that place another student in reasonable fear of harm to person or property, or that has the effect of insulting or demeaning any student in such a way as to disrupt or interfere with the school's educational missions or the education of any student. Bullying most often will occur when a student asserts physical or psychological power over, or is cruel to, another student. Such behavior may include but is not limited to: pushing, hitting, threatening, name-calling, or other physical or verbal conduct of a belittling or browbeating nature.

The parents of any student found guilty of bullying will be notified and the student will be referred to the building administrator to determine the appropriate intervention strategy that should be implemented to address the behavior. Repeated offenses shall be handled pursuant to the district's standard disciplinary procedures. We ask that parents discuss with their children the inappropriateness of violence, either real, or in the form of threats to others.

Medication/Illness:

Due to legislation, there are very strict guidelines regarding administering medicine to children. As a general rule, parent or guardian should give all medication to the child at home. If this is absolutely not possible, parents must contact the S.A.F.E. Director or S.A.F.E. Coordinator, at 847-888-5000 Ext. 7607, to discuss medication needs and to set up proper procedure.

Children who are ill should not be brought to the S.A.F.E. program. If illness develops during the program hours, parents or a person on the emergency card will be contacted and required to pick up the child. Food or other allergies should be listed on the emergency form.

Insurance:

Parents are responsible for medical insurance for their children. Twenty-four hour coverage is available through the school. Application forms are in the school office.

Emergency Days:

The S.A.F.E. program cannot operate if the school is closed due to an emergency (weather, electric, etc.). Parents should listen to their local radio station for announcements regarding any emergencies. If an emergency develops during the day, staff will contact parent or an emergency number.

Any abuse of the S.A.F.E. Guidelines will result in the loss of service.

Guidelines Are Subject to Change.
