ENTIRE CONTRACT:

CHANGES:

No agent has authority to change or waive any part of this Policy. To be valid, any change or waiver must be in writing. It must also be signed by one of our executive officers and attached to this Policy.

INCONTESTABILITY:

Any statement made in your application will be deemed a representation, not a warranty. We cannot contest this Policy after it has been in force for two years from the date of issue, except for non-payment of premium.

Any statements made by you or any Insured, or on behalf of any Insured to persuade us to provide coverage, will be deemed a representation, not a warranty. This provision limits our use of these statements in contesting the Amount of Insurance for which an Insured is covered. The following rules apply to each statement:

- (1) No statement will be used in a contest unless:
 - (a) it is in a written form signed by the Insured or on behalf of the Insured; and
 - (b) a copy of such written instrument is or has been furnished to the Insured or the Insured's beneficiary or legal representative.
- (2) If the statement relates to an Insured's insurability, it will not be used to contest the validity of insurance which has been in force, before the contest, for at least two years during the lifetime of the Insured. Also, we will not use such statements to contest a benefit increase after such benefit increase has been in force for two years during the lifetime of the Insured.

RECORDS MAINTAINED:

You must maintain records of all Insureds. Such records must show the essential data of the insurance, including new persons, terminations, changes, etc. This information must be reported to us regularly. Clerical errors in connection with this Policy or delays in keeping records for this Policy, whether by you, us or the Plan Administrator:

- (1) will not terminate insurance that would otherwise have been effective; and
- (2) will not continue insurance that would otherwise have ceased or should not have been in effect.

If appropriate, a fair adjustment of premium will be made to correct a clerical error.

Clerical Errors include (but are not limited to) the payment of premium for coverage not provided by this Policy. If appropriate, a fair adjustment of premium will be made to correct a clerical error. Such adjustments will be limited to the 12 month period preceding the date we receive proof from you that an adjustment due to overpayment of premium should be made or the date we discover that premium has been underpaid.

MISSTATEMENT OF FACTS:

If relevant facts about any Insured were misstated:

- (1) an adjustment of the premium will be made; and
- (2) the true facts will decide what amount of insurance is valid under this Policy.

If any misstated fact impacts the amount of premium that should have been paid, any benefit payable shall be in the amount the paid premium would have purchased based on the correct fact(s).

ASSIGNMENT:

The benefits under this Policy may not be assigned, except as required by law.

CONFORMITY WITH STATE LAWS:

GENERAL GROUP: The general group will be your employees and employees of any subsidiaries, divisions or affiliates named on the Schedule of Benefits.

ELIGIBLE CLASSES: The eligible classes will be those persons described on the Schedule of Benefits.

ELIGIBILITY REQUIREMENTS: A person is eligible for insurance under this Policy if he/she is a member of an Eligible Class, as shown on the Schedule of Benefits page.

EFFECTIVE DATE OF INDIVIDUAL INSURANCE: If you pay the entire premium, the insurance up to the guaranteed issue amount for an Eligible Person will go into effect on the date stated on the Schedule of Benefits.

If an Eligible Person pays a part of the premium, he/she must apply within 31 days of the date he/she is first eligible for insurance coverage for the insurance to go into effect. He/she will become insured on the later of:

- (1) the Individual Effective Date stated on the Schedule of Benefits, if he/she applies on or before that date; or
- (2) the date he/she applies, if he/she applies within 31 days from the date he/she first met the eligibility requirements; or
- (3) the date we approve any required proof of good health. We require proof of good health if a person applies:
 - (a) after 31 days from the date he/she first becomes eligible; or
 - (b) after he/she terminated this insurance but he/she remained in a class eligible for this insurance; or
 - (c) for an Amount of Insurance greater than he/she was insured for with the prior group critical illness plan, if applicable; or
 - (d) after being eligible for coverage under a prior group critical illness plan for more than 31 days but did not elect to be covered under that prior plan; or
- (4) the date premium is remitted.

Proof of good health forms are available from us upon request. It is your responsibility to provide proof of good health forms to Eligible Persons when required.

If an Eligible Person has been previously declined for coverage by us, had an application withdrawn or marked incomplete for any reason, or voluntarily terminated his/her insurance coverage with us, all future requests for coverage are subject to submission and our approval of proof of good health. However, proof of good health will not be required if an Eligible Person who voluntarily terminated his/her insurance coverage with us makes a future request due to a life event change or during any approved enrollment period.

Insurance applied for during a Reliance Standard approved enrollment that takes place beyond the Eligible Person's initial enrollment period or beyond the Eligible Person's initial eligibility period will become effective according to the specific rules for such enrollment. (See Approved Enrollment Periods on the Schedule of Benefits section, if applicable.)

Changes in the Insured's Amount of Insurance are effective as shown on the Schedule of Benefits.

If the Eligible Person is not Actively at Work on the day his/her insurance is to go into effect, the insurance will go into effect on the day he/she returns to Active Work in an Eligible Class for one full day.

TERMINATION OF INDIVIDUAL INSURANCE: The insurance of an Insured will terminate on the first of the following to occur:

- (5) the date the Insured enters military service on active duty (not including Reserve or National Guard).

CONTINUATION OF INDIVIDUAL INSURANCE: The insurance may be continued, by payment of premium, beyond the date the Insured Person ceases to be eligible for this insurance, but not longer than:

- (1) twelve months, if due to Injury or Sickness; or
- (2) one month, if due to temporary lay-off or approved leave of absence.

INDIVIDUAL REINSTATEMENT: Insurance may be reinstated if a former Insured Person has been:

- (1) on an approved leave of absence; or
- (2) on temporary lay-off.

The former Insured Person must return to Active Work with you within the period of time shown on the Schedule of Benefits. He/she must also be a member of a class eligible for this insurance.

The insurance will go into effect on the day he/she returns to Active Work for one full day. However, if the former Insured Person returns after having resigned or having been discharged, he/she will be required to fulfill the eligibility requirements of this Policy again.

If an Eligible Person requests insurance after previously terminating insurance at his/her request or for failure to pay premium when due, proof of good health must be approved by us before his/her insurance coverage may be reinstated.

DEPENDENT CRITICAL ILLNESS INSURANCE

Nothing in this section will change or affect any of the terms of this Policy other than as specifically set out in this section. All the Policy provisions not in conflict with these provisions shall apply to this section.

When an Insured Dependent is Diagnosed with a Critical Illness in accordance with the Critical Illness Benefit provision we will pay the applicable benefit shown on the Schedule of Benefits. Only dependents that meet the definition of Dependent can be insured for this benefit.

Any benefit payable for an Insured Dependent will be paid to the Insured unless another individual has been designated as beneficiary.

A person may not have coverage under this Policy both as an Insured Person and as an Insured Dependent. Only one eligible spouse may cover the eligible children as Insured Dependents. The spouse may be covered as a Dependent if not covered as an Insured Person. If insurance is in force for an Insured Dependent child, any newly eligible Dependent child(ren) will be automatically insured.

ELIGIBILITY: An Eligible Person is eligible to enroll his/her Dependents on the date he/she becomes an Insured Person.

EFFECTIVE DATE OF DEPENDENT INSURANCE: If you pay the entire premium, the insurance up to any guaranteed issue amount for a Dependent will become effective on the later of:

- (1) the date the Insured Person becomes eligible to enroll his/her Dependents; or
- (2) the date the dependent meets the definition of Dependent.

If you require an Insured Person to pay a portion of the Dependent premium, he/she may insure his/her Dependents by making written application. In this case, the insurance for Dependents will take effect on the later of:

- (1) the date the Insured Person becomes eligible to enroll his/her Dependents; or
- (2) the date the dependent meets the definition of Dependent, if application is made on or before that date; or
- (3) the date of application, if application is made within 31 days from the date the Dependent first becomes eligible for this insurance, or
- (4) the date we approve any required proof of good health. Proof of good health forms are available from us upon request. It is your responsibility to provide proof of good health forms to Eligible Persons when required. We require proof of good health if an Insured Person makes application for Dependent spouse insurance:
 - (a) after 31 days from the date the Dependent spouse first becomes eligible for this insurance; or
 - (b) after a prior termination of insurance as long as the Dependent spouse remained eligible for Dependent insurance; or

If the Dependent spouse has been previously declined for coverage by us, had an application withdrawn or marked incomplete for any reason or voluntarily terminated his/her insurance coverage with us, all future requests for coverage are subject to submission and our approval of proof of good health. However, proof of good health will not be required if the Dependent who voluntarily terminated his/her insurance coverage with us makes a future request for insurance coverage due to a life event change or during any approved enrollment period.

Insurance applied for during a Reliance Standard approved enrollment that takes place beyond the Insured's initial enrollment period or beyond the Insured's initial eligibility period will become effective according to the specific rules for such enrollment. (See Approved Enrollment Periods on the Schedule of Benefits section, if applicable.)

For a Dependent (other than newborn children) who is confined in a Hospital or Medical Facility or at home on the date on which he/she would otherwise become insured, insurance will be effective as of the date the confinement ends.

Changes in the Insured Dependent's Amount of Insurance are effective as shown on the Schedule of Benefits.

TERMINATION OF DEPENDENT INSURANCE: The insurance for an Insured Dependent will terminate on the first of the following dates:

- (1) the date this Section terminates; or
- (2) the date the dependent is no longer a Dependent as defined; or
- (3) the date the Insured Dependent spouse reaches age 75; or
- (4) the end of the period for which premium has been paid by you or the Insured; or
- (5) the date all benefits available under this Policy have been paid on behalf of all Insured Dependents; or
- (6) the date the Insured Person's insurance terminates; or
- (7) the date the Insured Person retires from employment with you.

NEWBORN CHILDREN: If a child is born to an Insured Person who has not elected Dependent coverage, such child shall be an Insured Dependent from the moment of birth.

The newborn child shall be an Insured Dependent for 31 days. He/she shall then cease to be an Insured Dependent unless:

- (1) the Insured Person requests, in writing and within such 31 day period, continuation of such Dependent coverage;
and
- (2) the additional premium is paid for such coverage.

The above coverage will also be extended to newly adoptive, foster or step children, as of the date they become financially dependent on the Insured Person for support, provided they otherwise meet the definition of Dependent.

The above coverage will also be extended to any children of a civil union or domestic partnership legally recognized under applicable state law, provided they otherwise meet the definition of Dependent.

PORTABILITY

The Insured Person may continue Critical Illness insurance coverage under this Policy and that of his/her Insured Dependents if coverage would otherwise terminate because he/she ceases to be an Eligible Person, for reasons other than the termination of this Policy, the Insured Person's retirement or termination of spouse coverage provided he/she:

- (1) notifies us in writing within 31 days from the date insurance coverage is terminated under this Policy; and
- (2) remits the necessary premiums when due.

The Amount of Insurance available under the Portability provision will be the current Amount of Insurance the Insured is insured for under this Policy on the last day the Insured Person was Actively at Work.

The premium charged to continue coverage will be based on the prevailing rate charged to all Insureds who choose to continue coverage under this provision. The premium will be billed directly to the Insured on a quarterly basis.

Insurance coverage continued under this provision for an Insured and his/her Insured Dependents will terminate on the first of the following to occur:

- (1) the end of the period for which premium has been paid;
- (2) the date the Insured Person attains age 70;
- (3) at any time coverage would normally terminate according to the terms of this Policy had the Insured Person continued to be an Eligible Person; or

The Association was established to provide protection in the unlikely event that your member life, annuity or health insurance company becomes financially unable to meet its obligations and is placed into Receivership by the Insurance Department of the state in which the company is domiciled. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Illinois law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association per insolvency are:

- Life Insurance
 - \$300,000 in death benefits
 - \$100,000 in cash surrender or withdrawal values

 - \$300,000 in long-term care insurance benefits
 - \$100,000 in other types of health insurance benefits

*The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$300,000, except special rules apply to hospital, medical and surgical insurance benefits for which the maximum amount of protection is \$500,000.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also residency requirements and other limitations under Illinois law.
