

Need help navigating your financial situation?

Having been a partner with School District U-46 for over 83 years, KCT Credit Union recognizes that during these uncertain times, many are currently or will be soon facing financial difficulties. You don't have to go it alone.

We would like to extend a special invitation to U-46 faculty and staff for a free, no obligation Financial Wellness Checkup, which can be done entirely over the phone. We'll examine your financial situation, and provide a step-by-step process to get you from where you are, to where you want to be.

To schedule a consultation with a KCT Member Service Representative, call 847.741.3344 today.
