District U-46  
403(b)/457(b) Plan

# School District U-46 Program

## Procurement

- Proposals were reviewed, evaluated, and ranked in accordance with the evaluation criteria
- AIG Retirement Services was selected as the new exclusive provider to provide the full scope of services:
  - Low cost fee structure
  - Investment management services
  - Open architecture platform
  - Administrative services
  - Overall compliance

# What is a 403(b)/457(b) plan?

- Allows employees to save money on a pre-tax or post-tax (Roth) basis through on going payroll reduction
  - Roth 403(b) allows you to contribute after tax dollars, then withdraw tax-free dollars when you retire
- Helps to fill income “gaps” that may exist with TRS or IMRF pensions
- A simple and convenient way to build wealth for your retirement

# What Happens Next?

- Contributions will continue into existing program and be redirected to new program effective November 1<sup>st</sup>
- New employees will be able to enroll in AIG Retirement Services immediately with current program
- You may schedule a one-on-one meeting immediately with an AIG Retirement Services financial advisor if you have any questions. Local advisor contact information will be provided
- The advisor can assist with establishing a new account, changing your contribution amount and answering your questions

# What is the difference between a 403(b) plan and a 457(b) plan?

## 457(b)

- No 10% IRS penalty following separation of service
- Loans available
- Age-based catch-up contribution
- In-service distributions from your contributions are not permitted until age 70 ½

## 403(b)

- 10% IRS penalty may apply to withdrawals prior to age 59 ½
- Loans available
- If you meet certain requirements, you may make age-based catch-up contributions
- In-service distributions from your contributions may be distributed for certain events:
  - Age 59 ½
  - Death or disability
  - Financial Hardship

# 2019 Contribution Limits

# 2019 Contribution Limits

	Traditional and Roth	
	403(b)	457(b)
Annual limit	\$19,000	\$19,000
Contribution method	Deferral via salary-reduction agreement	
Age-based catch-up (50+)	\$6,000	\$6,000

# What You Need to Know

- Contributions to all current providers will cease after 10/18/2019.
- All current participants with existing providers will have their contributions redirected to AIG Retirement Services, automatically effective November 1<sup>st</sup>
- Redirected contributions will be invested in age based target date funds
- Existing balances with existing providers will NOT move automatically. Participants will make that decision individually

# If You Have an existing Provider Account Balance

- You may keep your funds in your current plan.  
(these accounts may have higher fees)
- You may rollover your current plan's assets into the new plan construct
- Existing providers may/may not have surrender charges/fees to rollover your money
- AIG Retirement Services Financial advisors can assist you with this process
