May 16, 2025
Grades Confirmed and Posted
4:00pm on May 23, 2025
Method of Communication
Online via Infinite Campus
Early Learners via Learning Genie

TRIMESTER 2

End of Trimester 2
February 14, 2025
Window to Post Grades Opens
February 7, 2025
Grades Confirmed and Posted
4:00 on February 20, 2025
Method of Communication
Online via Infinite Campus
Early Learners via Learning Genie

ADDITIONAL IMPORTANT INFORMATION AND DATES

While these dates identify the deadline by which grades reported must be posted, it is expected that 1st - 6th grade teachers post scores in Infinite Campus for each student in at least one category each week (Additional guidance may be provided for specialized programs). Early Learners (PreK and Kindergarten) should be collecting evidence for portfolios on an ongoing basis.

Parents and students may view in-progress grades electronically via the Infinite Campus Parent/Student Portal.

Early Learners (PreK and Kindergarten) grades will not be housed in Infinite Campus. Parents will access report cards through the Learning Genie app.

As soon as a pattern of low performance or missing work emerges, teachers are expected to engage in two-way communication with parents, so they are aware and can support student learning.

As part of the end of year check-out process, teachers must confirm that grades have been entered with their immediate supervisor, including **ES final grades**, prior to leaving on May 23, 2025.
