6 AM to 10 PM

## Welcome

Welcome to Larsen Middle School 7th grade math. I am glad you are here.

## Required Course Materials

Bring daily: Case-it- pens, pencils, highlighters, paper, calculator (TI-30XIIS). Chromebook: Charged Chromebooks are to be brought to class on a daily basis. If a student does not bring his or her Chromebook, the student is expected to continue participating in class and complete all class work.

## Classroom Expectations

**Integrity** - Be in your seat when the bell rings! Value others and treat them as you would like to be treated!

**Ownership**- Bring all your materials. Have Practice Work finished before you come to class.

**This is it**- Live in the NOW....be sure to ask questions when you have them!

## Reassessment Policy

Students will have multiple assessment opportunities to demonstrate higher levels of achievement on any assessment that is used to determine an overall proficiency and grade. Reassessments will be completed after the student and teacher have a conference. The teacher and the student will set up a day for the reatake and the work needing to be done for the reassessment.

## Other Classroom Policies

Quizzes are not graded with the district rubric.

Practice work is expected to be completed before entering the classroom. Practice work will be recorded in Infinite Campus as feedback for students and parents. Graded practice work scores will be entered into Infinite Campus as "4" (it was turned in on time) "1" (it was turned in late) "M" (missing). After an Assessment, missing assignments will be changed to zeros so that the weekly infinite campus parent message will be turned off for those assignments.

Other marks in infinite campus for assignments may also be marked "I" (incomplete), or "X" (exempt).

Formative assessments will not be graded with the district rubric.

In the event you are absent, please check infinite campus for the assignment. You will be given the number of days you are absent to make up absent work.
