Course Welcome/Intro

Welcome to 8th grade computers. You will be learning about various types of technology and digital citizenship. Your students will be working on an independent course of study to help them develop rigorous digital research skills through their learning time in class.

Required Course Materials

You will need your planner and a flash drive. Headphones are optional.

Classroom Expectations

You will be asked to take care of the equipment in the room, to include your Chromebook you bring in.

Good choices are expected and observed during class time.

Rolling chairs are a privilege. Use them wisely. The privilege can be taken away.

Reassessment Policy

Each project will be given approximately 1 -2 weeks to complete. You will be given up to 2 weeks after the turn in date to turn in any updated work.

Other Classroom Policies

Those will be listed during class time.
