## **Course Description**

Family and Consumer Science (FACS) provides opportunities for problem solving, critical thinking, and hands-on experiences with foods and career exploration. Culinary concepts will include nutrition education, kitchen safety, and sanitation. Students will focus on teamwork, responsibility, and accuracy in real world culinary scenarios. The career component will focus on exploration as well as college and career readiness.

## **Required Course Materials**

- Chromebook  
Charged Chromebooks are to be brought to class on a daily basis and used appropriately according to U-46 policies.
- Loose-leaf paper and pencil
- Hair tie (Students with hair below the neckline must tie hair back on culinary lab days).

## **Classroom Expectations**

- Integrity
- Failure Leads to Success
- Speaks With Good Purpose
- This is It!
- Commitment
- Ownership
- Flexibility
- Balance

## **Reassessment Policy**

Students will have ten school days to complete reassessments. All reassessments must be completed 5 days before the end of the quarter. Once the quarter ends and students rotate, the gradebook is closed.

## **Other Classroom Policies**

Students are expected to work collaboratively with others.  
Students are expected to fulfill individual job responsibilities.  
Supplies for culinary labs should not be wasted.  
Kitchen tools and equipment should be used appropriately.

## **Additional Support**

Students must make prior arrangements with me for additional support. I am usually available before school and during lunch to provide additional support.
