BOE APPROVED:

The 2020-21 school calendar was approved by the Board of Education on July 27, 2020. It will be reviewed again by the BOE in spring of 2021.

Key:

Grey shaded days indicate days when school is not in session. Weekdays with no classes are also highlighted in green.

Important dates (such as end of trimester, or last day of school) are highlighted in red.

Important updates as of March 2021:

Monday, March 22 is now a non-student attendance day; no instruction will be provided online or in person.

Tuesday, April 6 is an election day. Because some school sites are used as polling places, the entire district will utilize the online synchronous schedule previously used on Mondays.

Wednesday, April 7 begins the District's post-spring break instructional schedule.

Friday, April 23 will now be a student attendance day.
