Attendance and Grading

- Log in to your Infinite Campus Portal by **10am Monday-Friday to mark yourself present**
- You will receive a reminder email everyday - follow the link to the portal
- **Teachers can change your attendance to absent if you do not complete the day's assignments**

Your 3rd quarter grade is your current grade and your semester grade cannot fall below that.

If you are unhappy with your quarter grade we encourage you to take any reassessment opportunities you can and to complete missing assignments

Get Organized!

Review expectations for students in a [Distance Learning](#) environment.

Create a to-do list and check off items you've completed

Also take some time and organize your room so that you can be productive (move distractions out of sight etc)

Need help with assignments?

Find What Works For You!

- If you always study in groups, try a virtual study session with your group (**Google Hangouts** can help with this).
- If you thrive on tight timelines, but now have a more open schedule, think about how working with others or setting up a schedule can recreate that for you. When that gets hard, see if you can do just fifteen minutes at a time.
