Cougar Chronicle

A PAWS/PBIS MONTHLY NOTIFICATION

Canton PAWS Expectations

** Positive Attitude * Act Responsibly*

** Work Hard * Show Respect*

March PAWS Parent/Guardian Tip

Begin helping your child create good habits for life. Good habits include being on time to school and class, prepare your things and have them all ready the night before, get 8-10 hours of sleep each night. If you or a family member finds yourself in a conflict, breathing can help calm you in a tense situation with another individual. Also, removing yourself from the situation and agreeing to talk about it later can help to have a calm conversation.

March Monthly Behavior Focus at Canton

Allow teachers to teach and students to learn

Our goal is to provide students with a set of behaviors that they can exhibit to allow each class to function with optimum teaching and learning taking place. We will track between Feb. 26 and Mar. 12. All students who have no referrals in the tracking period will be recognized with an acknowledgement on March 18th.

Quarter 3 Goal at Canton

Follow PAWS: Be at school and arrive to school on time. All students with a 95% attendance rate in the third quarter will be acknowledged with a cupcake on Thurs., March 19,
