News from the Nurse

ATTENTION: **NEW STATE REQUIREMENTS**

Don't forget to get your shots for the new school year!

All Centennial students are required to have 2 (two) MMR. Students entering Kindergarten and 6th grade need 2 (two) Varicella (chicken pox) vaccines for the 2014-2015 school year. Students will NOT be allowed into school without proof of these vaccines.

Incoming 6th graders will need proof of Tdap vaccine along with their Health Physicals to begin the 2014-2015 school year. It is a District Policy to EXCLUDE students without these vaccines. If you have any questions, here is the link to the District.
