From the Nurse

Incoming 6th graders will need proof of **Tdap and Meningococcal vaccines** along with their Health Physicals to begin the 2016-2017 school year. Kindergarten students need physicals and immunizations to start school. **It is District Policy to EXCLUDE students on the FIRST DAY without these vaccines.** If you have any questions, here is the link to the District.

Let the summer fun begin!

Incoming Kindergarteners need proof of both dental and vision exams. 2nd and 6th Grade students need to have proof of a Dental Exam on file as well.
