- Tuesday, November 12th 1pm
Centennial Staff/Students Only
- Tuesday, November 12th 7pm
Open to Public

We are looking forward to a wonderful performance of our students under the direction of Ms. Beth Ellis, Music Teacher extraordinaire.

Lunch Supervisors Needed

We are in need of part-time help as lunch supervisors. Lunch supervisors work 2 hours per day, 5 days per week between 11am-1pm on school days. We are in need of substitute lunch supervisors as well. If you are interested, please apply on-line at School District U-46. For questions about how to apply, please call 847-888-5000.

Parent/Teacher Conferences

Parent/Teacher Conferences are right around the corner. The conferences are very important for your child. It is an opportunity to create a positive working relationship with your child’s teacher for the school year. Many parents have already scheduled their conferences. If you have not, please call/email your child’s teacher. Contact information on page 2 of newsletter.

Español Coming Soon

As you can see, we are getting ready for Spanish Classes at Centennial. An outside company will be providing an opportunity for our students to participate in a 22 week program. Registration information which will include costs and dates of the program will be sent home in October.

Bienvenidos a las clases de español!

Health Office Reminder

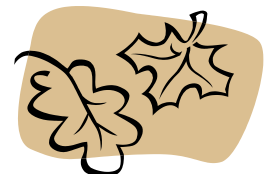

Kindergarten Vision exams are due in the school nurses office by October 1st. This is a state requirement. If you have any questions, please contact the School Office.

MAP Testing

MAP testing is a computer generated assessment that provides instructional levels for students in Math and Reading. Teachers and parents use the information to see how to help their students achieve academic success. The next assessment will be in December.
