If approved, this resource would need 3 days of PD support. Amy asked for feedback from the committee about the best way to approach this while still ensuring teachers receive their required Academic Teaming PD in the 23-24 SY.

Melissa shared the work that has come about this year as a result of a change in use in Infinite Campus for secondary CTE courses. The changes/updates proposed would not be the adoption of new curriculum but rather an alignment between the information presented in Infinite Campus and the work being done in the courses.
