RE: 2024-2025 School Registration Fees

DATE: 2/26/2024

District Administration recommends the waiver of School Registration & Instructional Fees for the 2024-2025 school year. As a financial relief to families, the District will utilize Elementary and Secondary School Emergency Relief (ESSER) funding to pay for 2024-2025 fees. However, with ESSER funding coming to an end in September of 2024, registration fees will be charged to families starting with the 2025-2026 school year. This will be communicated to families in January 2025.

	<b>Early Discount Fee (Prior to May 31)</b>	<b>Regular Fee (June 1 - Aug 31)</b>	<b>Fee After August 31</b>
<b>Elementary</b>	<b>2024-2025 Registration &amp; Instructional Fees Waived</b>		
<b>Middle</b>			
<b>High</b>			

Our Optional Fees (i.e. athletics and parking permits, etc.) will remain in force and will remain at the same rates as previous years.

The District will continue to offer the option to pay for optional fees and for deposits into a student's food account through our on-line partners using a credit card, checking or savings account number.

The District will continue to offer, at the choice of families, Optional Student Insurance. We urge families to consider this insurance as it helps protect students the entire school year, during the regular school sessions, as well as when participating in other school-sponsored activities. Insurance offerings include 24-hour-a-day accident coverage, sports accident coverage, and football only accident coverage. Families who do not purchase this insurance will need to use their personal insurance to cover any student accidents that occur on school property.
