A large group of children, mostly of elementary school age, are walking outdoors in a line. Many of them are holding small American flags. They are dressed in casual winter clothing like jackets and sweaters. The background shows a paved area and some trees without leaves, suggesting a cool day.

Local Libraries to Host U-46 STEM Expo Kick-Off Events

School District U-46 will host four kick-off events in November at local libraries to prepare students and families for the fun and learning opportunities available through the District's 2017 STEM (Science, Technology, Engineering and Math) Expo, scheduled for Saturday, February 25 at South Elgin High School. The kick-off events will give students a chance to engage with cutting edge technologies, experiment
