U-46 finance department honored for its work

The Association of School Business Officials International has presented the **School District U-46 Financial Services Department** with a Certificate of Excellence in Financial Reporting for 2021 and a Meritorious Budget Award for 2022.

A committee of professional accountants and government auditors judged annual budget books submitted by school districts to choose meritorious award winners. Another committee reviewed comprehensive annual financial reports to select those to receive the Certificate of Excellence in Financial Reporting.

In recognition of those accolades, the U-46 School Board of Education on Monday recognized the department with an Accent on Achievement certificate.
