Ilich apparently out at Bartlett

BY JERRY FITZPATRICK

The Bartlett head football coaching position is vacant, according to a job posting on the Elgin Area School District U-46 website.

Eric Ilich has been the head football coach at Bartlett for the past two seasons. His teams finished 4-5 in 2016 and 2-7 in 2017.

Calls to Ilich and Bartlett athletic director Jeff Bral were not immediately returned Wednesday.
