

## FIELD TRIP MEDICATION FORM

HEALTH SERVICES  
SCHOOL DISTRICT U-46

**Please be aware the medication policy has changed.** We are only allowed to bring rescue medications, I.E. epi-pens, and inhalers from the student's supply kept in the health office. Medication Permission/Physician Instruction Form as well as Self Administration Form, must be filled out completely.

Student \_\_\_\_\_ Teacher \_\_\_\_\_

I give permission for rescued medication to be supplied from health office  
\_\_\_\_\_ Yes \_\_\_\_\_ No

Parent/Guardian Signature \_\_\_\_\_ Date \_\_\_\_\_

If your child is currently taking medication and will need to continue with it while at a Curriculum Based Field Trips, district policy requires we have a completed Medication Permission and Physician Instruction Form on File.

If your child requires any prescribed medication other than rescue medication, for a Curriculum Based Field Trip including over the counter preparations **you must contact the teacher** well in advance of the trip.
