Tony Sanders, Chief Executive Officer

U-46.org

Dear 8th grade parents,

Your child will require a 9th grade physical complete with immunizations as part of registration for the 2020-2021 school year dated on or after August 12, 2019. All physicals **MUST** be on the State of Illinois Certificate of Child Health Exam form dated 11-2015. **NO** other forms will be accepted. (Form is attached)

Students will not be able to attend school on the first day, unless current physical and immunizations have been turned into the high school they will be attending.

The web portal will open sometime in early August for students, who have completed registration and turned in the required physical and immunizations, to print their schedules.

Freshmen orientation occurs in mid-August. Freshmen, who have not completed registration and have not turned in the required physical and immunizations, **will not** have a copy of their schedule for orientation.

Parents are encouraged to schedule their child's physical as soon as possible.

New for 20-21 school year, all freshman students will be required to turn in proof of a dental exam by May 15th 2021. (form is attached)

Forms can be scanned and emailed to healthservices@u-46.org. Pictures of documents will **NOT** be accepted. If you have any questions, please contact the nurse at your child's school.
