High School Media Club

U-46 high schoolers have a new opportunity to get involved and help tell the stories of their school, classmates, teachers, and community.

Students in the High School Media Club will explore various topics in digital media and communications, with guidance from industry professionals. In the future, the club's members will have the opportunity to create content for U-46's website, social media channels, FM radio station, and more.

The club's meetings will be held after school, and the next one is on Tuesday, Jan. 16, at Larkin High School. Those who are interested in joining, or have any questions, should write Digital Communications Specialist Alec Barlow at alecbarlow@u-46.org.

Dual Language Parent Support Group

U-46 is offering a support group for parents and guardians who have children in the District's award-winning Dual Language program. These events are being held virtually, and the next one is scheduled for Thursday, Jan. 18, at 6:30 p.m. Parents of students in the Dual Language program will connect with other Dual Language families, as well as members of the Multilingual and Multicultural Department, and can ask questions and get tips for supporting their child's education.
