Approval of 09-10 Calendar
Welcome

Lynn Glaser
Lynn Glaser
Dr. Torres, Tim Davis

I. Initial Presentations

A. Unique Learning System - Pamela Harris – **The Unique Learning System is a comprehensive curriculum designed specifically for students in the EN I, EN II, ILP and MLP programs.**

B. Civil Engineering and Architecture - Carol DePue – **Project Lead The Way (PLTW) pre-engineering curricula, software, and teacher training programs can help schools forge new generations of engineers. Designed for students interested in engineering and architecture related occupations.**

C. Computer Integrated Manufacturing - Carol DePue - **Project Lead The Way (PLTW) pre-engineering curricula, software, and teacher training programs can help schools forge new generations of engineers. In a CIM system functional areas such as design, analysis, planning, purchasing, cost accounting, inventory control, and distribution are linked through a computer with factory floor functions.**
